Repairing Homes, Revitalizing Communities, Rebuilding Lives

RTSV MISSION STATEMENT

Rebuilding Together Silicon Valley is a leading local nonprofit organization serving our most neighbors in need - older adults, people with disabilities, disadvantaged communities, and families with young children - across Santa Clara County. We work to provide tangible solutions to the housing crisis through the preservation of affordable housing. We believe everyone deserves to live in a safe and healthy home. We are proud to provide this through our safety and critical repairs programs that leverage community, partnerships, and volunteerism to provide free repairs for low-income homeowners, fellow nonprofits, and in a limited capacity, local renters.

Serving Silicon Valley for 34 years

Since 2018, we have invested over \$1 million worth of repairs into the homes of more than 500 members of our BIPOC Communities.

WE SUPPORT UNDERREPRESENTED COMMUNITIES.

We unite community members motivated to help out, and we do the work at no cost to our clients. Together, we help people overcome the threat to their home, and their hard-won dream, falling into disrepair and hazardous territory.

Housing interventions for low-income people have been found to improve health outcomes and decrease health care costs.

WE BELIEVE HOUSING IS HEALTHCARE.

Housing stability, quality, safety, and affordability all affect our neighbor's potential health outcomes. In addition, a neighborhood's physical and social characteristics affect health outcomes as well.

Why RTSV?

"It's quite a burden on the budget for people living on fixed income and so when Rebuilding agreed to do it, it was quite a relief financially and emotionally."

EVERYTHING STARTS AT HOME

Join us for a fun-filled evening to remember on Thursday, September 14, 2023! Back in person for the first time since 2019, Rebuilding Together Silicon Valley is excited to welcome over 200 of our friends and supporters for an evening full of games, elevated food stations, a D.J., a live fund a need, and much more.

You're welcome from 6:00 - 8:00 pm at the Gonzales Peralta Adobe & Fallon House Historic Site adjacent to San Pedro Square in the heart of downtown San Jose.

All funds raised in support of this event directly benefit our most vulnerable neighbors across Santa Clara County - veterans, people with disabilities, families with young children, and older adults -where it counts the most, at home. Our suite of programs provide real, proven solutions to address the Bay Area-wide housing crisis through the preservation of affordable housing.

By believing that everyone deserves to live in a safe and healthy home and actively creating a healthier and safer place for neighbors in need to call home, we make a significant impact in our communities.

Will you join us in supporting this life-changing repair work?
